

March 17th, 2020

Dear Kid Talk Families,

As COVID-19 continues to evolve, we have made the decision to close our clinics effective Wednesday March 18th. This week we have been diligently working on a teletherapy option, checking on patient benefits and training our staff on the use of teletherapy. We will begin scheduling our teletherapy sessions Monday March 23rd. Your child's therapist will be in contact with you this week to discuss your therapy options, scheduling, and determine a plan for the upcoming weeks. At this time we plan to reopen the clinics for regularly scheduled therapy sessions on April 6th however, we will continue to closely follow the CDC and MN Department of Health recommendations and adjust our plan as needed.

Thank you for your support and understanding during this time of uncertainty. Please bear with us as we navigate this new mode of therapy delivery! As always, your child's health and safety is our first priority and we are doing our best to be able to continue to provide quality therapy services. Please feel free to contact us with any questions or concerns at (952)443-9888.

Katie Eckhoff and Candy Almquist
